

Boston Builds Credit

Boston Builds Credit is a credit building initiative to help Bostonians build credit scores to increase financial stability and create wealth. It provides free credit building workshops, financial coaching and safe credit building products working with funders, financial institutions and credit bureaus to help addressing the income inequality and racial wealth gap in Boston.

READY TO BUILD YOUR CREDIT?

This is the place to connect with our 25+ community partners to find the FREE credit building help that’s right for you. You can also click to read [why credit is so important](#).

There are three main ways you can connect with our partners to start working on your credit:

1. FIND A CREDIT BUILDING WORKSHOP

At an introduction to credit building workshop, you’ll learn the basics of why credit matters, what a credit score is, how it is calculated, and how to start building your credit. Our partners also offer workshops on related topics like homebuyer readiness, budgeting, and student loans.

2. GET A FINANCIAL CHECK-UP

The Financial Check-Up is a 20 minute credit counseling session where a trained volunteer pulls your credit report, reviews it with you, and you work together to create a credit building action plan. The Financial Check-Up is offered as part of free tax preparation services through the Boston Tax Help Coalition.
