Tech Goes Home Awarded \$100,000 from NETSCOUT to Advance Digital Equity in Roxbury

BOSTON, December 11, 2023 -- [Tech Goes Home](#) (TGH), a leading nonprofit committed to advancing digital equity across Massachusetts, announced that it was awarded a new \$100,000 grant from [NETSCOUT](#) to support ongoing work to provide families and individuals in Roxbury with computers, internet access, and digital skills training.

“We’re incredibly excited to continue our partnership with NETSCOUT, and grateful for their generous support of our efforts to close the digital divide in Boston,” said Dan Noyes, CEO of Tech Goes Home. “Tech Goes Home’s community-based approach to advancing digital equity through devices, internet, and digital skills has already served tens of thousands of families across the Commonwealth, and we’re excited to reach even more people with NETSCOUT’s support.”

“Tech Goes Home is making an impact in real-time by helping people engage with the digital world and better access economic opportunity,” said Michael Szabados, chief operating officer at NETSCOUT. “At NETSCOUT, we understand the importance of keeping the world connected, and we’re excited to continue our partnership with Tech Goes Home to ensure historically digitally disconnected populations have the resources and support they need to engage with the digital world.”

This is the fourth year TGH and NETSCOUT have teamed up to expand digital access and skills training through community-centered programming and partnerships. With NETSCOUT support, TGH will offer courses for all ages through partner organizations, including but not limited to the Adult Learning Center, La Alianza Hispana, Madison Park Development Corporation, Rafael Hernandez K-8 School, and Vine Street Community Center.

About Tech Goes Home: Tech Goes Home is a nonprofit dedicated to addressing the digital inequities that pose a significant barrier to opportunity and success for thousands of students, workers, and families across Massachusetts. Working in partnership with schools, healthcare providers, and community organizations, Tech Goes Home provides curated support - including access to digital devices, network connectivity, and robust training in how to utilize digital resources - to help individuals and families pursue economic mobility, support academic achievement, access critical resources, and engage with their community and loved ones. You can learn more about Tech Goes Home’s work and ways to become involved, at techgoeshome.org.

About NETSCOUT: NETSCOUT SYSTEMS, INC.
