

PCs for People

PCs for People offers quality refurbished desktops, laptops, internet service and accessories to individuals and non-profits. To qualify, individuals must be currently enrolled in an income-based government assistance program or who are below the 200% poverty level. This tutorial will introduce you to their Hotspot options for internet service.

Instructions

- Check your eligibility and what documentation is required [at this link](#).
- To check out available options for hotspots go to www.pcsrefurbished.com
- Click on “Internet” to see the available options.

Contact us at 651-354-2552 or sales@pcsforpeople.com
